For The Atari® Video Game System

Imagic Cartridges

Imagination, and a touch of magic.

Imagic video game cartridges add a new dimension of excitement to your Atari® Video Game System. Superb graphics, sensational sound effects and action that **never** lets up—Imagic's cartridges are in a class by themselves! Whether you are looking for risky adventures, dangerous rescue missions or the challenge of time-tested competitions, Imagic has the game for you—with more on the way.

DEMON ATTACK™

Pulsating creatures scream overhead. They attack in waves. Fend them off with your laser cannon. Survival gets tougher—each barrage hits harder! Some tricky demons divide and keep coming! It's a split-second test of reflexes and instinct. Blink—but only if you must! Don't let these clever creatures catch you off guard. It's either you—or them!

STAR VOYAGER™

You pilot the Astro-Cruiser Star Voyager through treacherous space. Your mission: penetrate the seven star portals. Radar tells you where star portals lie—and fierce enemy ships. Blast them with laser fire or photon torpedoes. Keep energy levels up—or risk destruction! Only passing through a star portal restores energy reserves. One or two players battle to survive. Each passage becomes more and more perilous. But there's no turning back!

TRICK SHOT™

Name your game: Pool, English Billiards or Trick Shot combinations will tax any expert. One or two players compete for the winner's trophy. Authentic game play and sounds pull you irresistibly into the action. Cushion shots and just the right touch of "English" increase the challenge. Test your poise and accuracy as you chalk up your stick for some pool hall action.

RIDDLE OF THE SPHINX™

You wander through Egypt's Valley of the Kings, seeking to solve the Riddle of the Sphinx. Pyramids, palm trees and temples dot this parching desert. A flaming phoenix appears—and beware the god Anubis! Defend yourself. Collect priceless treasures and artifacts—they'll help you on your journey to the mysterious Sphinx. A must for strategy game enthusiasts.

COSMIC ARK™

The Cosmic Ark races to bring back creatures from distant planets. The awesome Ark glides through alien space. Foes attack from every side. Destroy them—or be blasted! Reach strange and distant worlds. Send a satellite to capture the skittish beasts in your tractor beam. They may duck away. Keep trying! Transport them to the Ark before another foreign horde attacks. Your mission—to seek and save.

FIRE FIGHTER™

Fire Alert! Battle raging flames before they scorch a panicked victim. He's trapped in the building. He races for the roof. The blaze climbs quickly. Reach him with your ladder. Douse flames with your hose. Only you can save him! But hurry! You haven't much time. Action-packed with red-hot suspense, Fire Fighter calls for nerves of steel. It's Hero-Time!

ATLANTIS™

The submerged city of Atlantis battles an unrelenting enemy assault and struggles to survive. Waves of flying foes batter the city's defenses. You command the Atlantean forces. Your three missile installations guard the skies, thick with alien aircraft. Make every shot count. Track and destroy them, or knock out their flagship and pulverize the fleet. Atlantis needs your help now!
